Course summary

Have you wanted to study at a higher level and not been in a position to become a full-time student? Have you wondered if you are ready? Distance learning may open up opportunities for study but you might have not studied for a while, you might be returning to education, or you might not have had the chance to study at a higher level before. Perhaps you lack confidence about where to start or even how prepared you are to study as a distance learner. This free course, Am I ready to be a distance learner?, will boost your confidence while helping you to explore useful skills, and discover how ready you are to study and how to develop your study skills. Having got this far you are already on the road to becoming a distance learner.

Learning outcomes

By completing this course, the learner should be able to:

- identify areas of study strengths in preparation for becoming a distance learner
- explore and reflect on skills that are valuable for distance study
- identify opportunities to further develop your skills as a distance learner
- understand the attributes of a successful distance student.
